Dear friends and supporters,

2025 was a year of growth, generosity, and new beginnings for the Winona Community Foundation. I was honored to serve as Chair of the Board alongside such a dedicated group of individuals who care deeply about the future of our community. Their commitment went beyond just the time and talent: nearly every board member contributed financially to this year's annual campaign, a powerful demonstration of our shared belief in the mission of the Foundation.

Early in 2025, we welcomed Mandi Olson as our new President and CEO. Mandi brings a genuine passion for community engagement. Over the past year, she has been listening, learning, and building relationships with nonprofits and stakeholders to better understand the needs and opportunities ahead. Her leadership has already begun shaping a strong path forward.

That sense of forward motion was evident in our events and initiatives. Our charity golf tournament raised a record-breaking \$42,600, bringing its five-year total to more than \$164,000 in support of our competitive grant program. In October, more than 130 community members gathered to celebrate Judy Davis's remarkable contributions at our annual Founders Event, an evening filled with energy, gratitude, and inspiration.

These moments reflect a larger truth: the Foundation continues to be a vital asset to Winona. Through thoughtful grantmaking and stewardship of charitable funds, we strive to model generosity and inspire others to invest in our nonprofit community, and remain deeply aware of the growing needs in our region. That is why we remain focused on strengthening partnerships and empowering the charitable work happening across the community.

None of this would be possible without you: our donors, partners, and friends. Together, we are making a meaningful difference. Thank you for continuing to believe in and invest in Winona's future.

Dave Jensen

Community Grant Program

An important part of the Winona Community Foundation's mission is realized through awarding community grants to local non-profits to help meet the ever-changing needs of our community. By doing so, a variety of interests are supported with the goal of enhancing our local charities' impact.

Funds to support the Community Grant program are made possible in part through estate gifts made by Ramona L. Jezewski English, Carol A. Orłowski and Wilmer & Beverly Larson. Community grants are also supported by individual donors and a percentage of board designated funds, including: the Thomas H. Laken Fund, the Sue & Jack Cornwell Fund, the Community Impact Endowment Fund, the Founders Endowment Fund, Charity Golf Event proceeds, and the General Trust Fund of the Winona Community Foundation.

Charity Golf Outing

On June 27, 2025, the Winona Community Foundation hosted its 5th Annual Charity Golf Outing at the beautiful Bridges Golf Course in Winona. The event brought together 96 golfers, all teeing off in support of the Foundation’s Community Grant Program.

Thanks to the incredible generosity of 33 sponsors, the outing raised over \$42,000, all of which were reinvested into the Winona community through grants distributed in Fall 2025.

A heartfelt thank you goes out to the event’s two major sponsors: PNG Worldwide and In Memory of Helen Leaf Haun. Additionally, the Foundation was honored to receive a \$9,900 Member Impact Grant from the Federal Home Loan Bank of Des Moines, submitted in partnership with Merchants Bank, whose staff played a key role in securing the award.

Founders Award Honoring Judy Davis

On October 14th, 2025, the Winona Community Foundation was proud to honor Judy Davis with the 2025 Founders Award, which recognizes individuals who have demonstrated an extraordinary commitment to improving life in the Winona area through the use of their time, talent, and treasure.

As part of the award, Judy chose to direct \$5,000 from the Founders Endowment Fund to the Minnesota Marine Art Museum.

“I am truly honored,” she says, “to live among a community of givers. Winona offers so much: education, outdoor beauty, excellent medical care, and a spirit of philanthropy that binds us together. I’m just one of many working to make it a compassionate and caring place.”

Judy Davis accepts the Founders Award at the October 14 event.

Building a Lasting Legacy Through Endowment

The Connect People to Nature Endowment Fund supports local programs, equipment, and activities that help people of all ages get outdoors and connect with the natural world. Established in 2009 by JC and Arlene Pfeiffer, the fund began modestly with just a few thousand dollars, and was intentionally designed to grow over time through investment earnings and additional contributions. Over the past fifteen years, thanks to the Pfeiffers' generosity, the support of others, and sustained investment growth, the fund has awarded seven grants to Winona non-profits totaling more than \$20,000.

In December 2024, JC and Arlene Pfeiffer made a transformational contribution to the fund, one that was especially meaningful because of its timing. JC had long planned for the Foundation to receive his IRA after his passing and spoke openly with staff about this intention. With characteristic humility, he asked the question: would the Foundation prefer to receive the gift now, or later? We reminded him of the fulfillment he enjoyed in giving during his lifetime, and so he chose to give his gift immediately. The best part for us was that we were able to celebrate that gift *with him*.

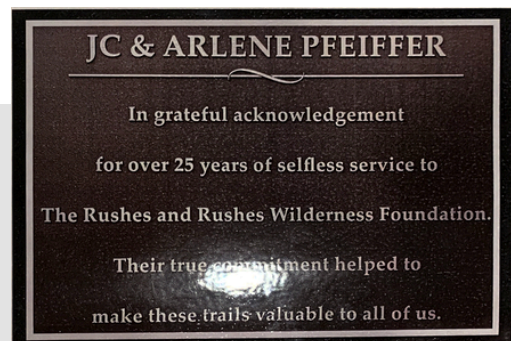

Just five months later, JC passed away.

JC's story reminds us that legacy isn't only something we leave behind, but rather something we can create during our lifetime. His generosity shows that meaningful impact can begin modestly, grow over time, and be experienced firsthand. By choosing to give through an endowment*, he ensured that the values he cared about would continue to shape the community long into the future. And by choosing to give when he did, JC was able to take joy in knowing his generosity was already making a difference. The seeds he planted will continue to grow for generations, helping ensure that people and nature thrive together in Winona.

**Endowments are permanently invested, with a portion of their earnings granted back each year to support charitable work.*

JC had been a long-time volunteer and supporter of the Rushes Wilderness Foundation.
